This prospectus relates to the offer and sale from time to time of up to 1,397,213 shares of our common stock by the RFG Nominee Trust, which is referred to in this prospectus as the “Trust” or the “selling shareholder.” The selling shareholder may elect not to sell any of such shares or only some of such shares. We will not sell any shares of our common stock under this prospectus, and we will not receive any proceeds from the Trust’s sale of shares of our common stock offered by this prospectus. We have agreed to pay the Trust’s brokerage commissions that are incurred in connection with the sale of the shares. We have also agreed to pay all expenses that are incurred in connection with the registration of the shares of common stock offered by this prospectus.

As described in more detail in this prospectus under “Prospectus Summary - The Offering,” the number of shares offered for sale by the Trust consists of (1) 1,097,213 outstanding shares of our common stock that were issued to the Trust on October 23, 2014 upon the attainment of an earn-out target specified in an Agreement and Plan of Merger, dated as of May 25, 2011, among us, the selling shareholder and several other parties, as amended by Amendment No. 1 to Agreement and Plan of Merger, dated as of July 31, 2013, and by Amendment No. 2 to Agreement and Plan of Merger, dated as of October 1, 2013 (the “Second Merger Agreement Amendment”), and (b) 300,000 currently unissued shares of our common stock, which represent our estimate of the maximum number of additional shares of common stock that we could be required to issue to the Trust pursuant to the terms of the Second Merger Agreement Amendment that provide for the issuance of additional earn-out shares to the Trust if, and to the extent that, the Trust sells any of such 1,097,213 outstanding earn-out shares pursuant to this prospectus on the NASDAQ Global Select Market for less than a specified aggregate price.

As described in more detail in this prospectus under “Plan of Distribution,” if the Trust elects to sell any shares offered by this prospectus, it will do so on the NASDAQ Global Select Market through broker-dealers. No other shareholders are entitled to sell shares through the use of this prospectus.

---

(1) We entered into an Agreement and Plan of Merger dated as of May 25, 2011 (the "**Merger Agreement**") with Renaissance Food Group, LLC, a Delaware corporation ("**RFG**"), the Trust

and the following owners of RFG (the “**Sellers**”): Liberty Fresh Foods, LLC, Kenneth J. Catchot, James S. Catchot, James Gibson, Cut Fruit, LLC, Jose O. Castillo and Donald L. Johnson. Pursuant to the Merger Agreement, we acquired RFG from the Sellers and, among other things, we agreed to make a final earn-out payment to the Sellers and the Trust of \$50,000,000 in cash and 434,783 shares of our common stock if, during any three consecutive twelve-month periods during a five-year earn-out period, the EBITDA of RFG is at least \$15,000,000 and the revenue of RFG is at least \$190,000,000. The Trust exists for the benefit of the Sellers, and its trustee is Kenneth J. Catchot.

Effective as of October 1, 2013, we entered into the Second Merger Agreement Amendment pursuant to which we agreed with the Sellers and the Trust that, upon the attainment of the earn-out target described in the preceding paragraph, we would have the right to satisfy the \$50,000,000 payment obligation described in the preceding paragraph (1) entirely in cash, (2) entirely by issuing to the Trust an additional number of shares of our common stock having a value of \$50,000,000, or (3) partially in cash and partially in an additional number of shares of our common stock issued to the Trust having a combined value of \$50,000,000. We agreed that the number of shares of common stock to be issued by us, if we elected to issue shares, would be determined by dividing the aggregate dollar amount of shares to be issued by us by the closing price of our common stock on the NASDAQ Global Select Market on the last business day preceding the date of our delivery of stock issuance instructions to our transfer agent. We also agreed in the Second Merger Agreement Amendment to file a registration statement on Form S-3 to permit the Trust to sell the shares described in this paragraph as well as any additional earn-out shares described below that we are obligated to issue under the Second Merger Agreement Amendment.

The earn-out target described above was satisfied with respect to the three consecutive twelve-month periods ended September 30, 2014 and, as required by the Merger Agreement, we issued 434,783 shares of common stock to the Sellers in reliance upon the securities registration exemption contained in Section 4(2) of the Securities Act of 1933, as amended (the “**Securities Act**”), for a transaction by an issuer not involving a public offering. Those 434,783 shares are not covered by this prospectus.

We elected to satisfy our \$50,000,000 earn-out payment obligation described above by issuing to the Trust shares of our common stock having a value equal to \$50,000,000. Accordingly, we issued 1,097,213 shares of common stock to the Trust, based upon a closing price of \$45.57 per share for our common stock on the NASDAQ Global Select Market on October 23, 2014. Those 1,097,213 shares are being offered by the Trust pursuant to this prospectus and were issued by us in reliance upon the Section 4(2) securities registration exemption described in the preceding paragraph.

We agreed in the Second Merger Agreement Amendment to issue additional shares of common stock to the Trust if, during either or both of two 120-day periods specified in the Second Merger Agreement Amendment, the Trust sells shares that were issued to it under the Second Merger Agreement Amendment on the NASDAQ Global Select Market for a lower total sales price than it would have received if it had sold such shares for a sales price equal to the closing price of our common stock that was used in determining the number of shares to be issued by us to the Trust. Based upon a comparison between the \$45.57 closing price that we used in valuing the \$50,000,000 of stock that we issued to the Trust and the lowest closing price, equal to \$29.91 per share, for our common stock since March 1, 2014, we estimate that the maximum number of additional shares of our common stock that we may be obligated to issue to the Trust under this provision of the Second Merger Agreement Amendment is 300,000 shares, although the exact number of shares (if any) that we will be obligated to issue will depend upon the actual price of our common stock during the sale periods described in the Second Merger Agreement Amendment and upon the number of shares (if any) that the Trust sells during such periods. Those additional 300,000 estimated shares are also covered by this prospectus in accordance with our agreement in the Second Merger Agreement Amendment to provide resale registration rights for those shares. Any shares that we may become obligated to issue beyond those 300,000 shares are not covered by this prospectus.

## **RISK FACTORS**

Investing in our common stock involves certain risks. Before you decide whether to purchase any shares of our common stock, in addition to the other information in this prospectus, you should carefully consider the risks described under the heading “Risk Factors” in our most recent Annual Report on Form 10-K and Quarterly Report on Form 10-Q, which are incorporated by reference into this prospectus, as such risk factors may be updated from time to time by our future filings with the SEC. If one or more of these risks materializes, our business, financial condition and results of operations may be adversely affected. In that event, the value of our common stock could decline. The risks that are described in this prospectus or in any document that is incorporated by reference into this prospectus are not the only risks that we face. Additional risks not presently known to us or that we currently believe to be immaterial may also adversely affect our business, financial condition and results of operations.

## **SPECIAL NOTE REGARDING FORWARD-LOOKING STATEMENTS**

This prospectus, any related prospectus supplement and the documents incorporated by reference into this prospectus contain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. All statements other than statements of historical facts that are contained in this prospectus, any related prospectus supplement and the documents incorporated by reference into this prospectus, including statements regarding our future results of operations, financial condition, business strategy and business prospects, should be considered forward-looking statements. In some cases, you can identify forward-looking statements by the use of words such as “believe,” “anticipate,” “intend,” “plan,” “estimate,” “may,” “could,” “anticipate,” “predict,” or “expect” and similar expressions.

These forward-looking statements involve known and unknown risks, uncertainties, assumptions and other factors that may cause our actual results to be materially different from any future results expressed or implied by the forward-looking statements. You should not place undue reliance on forward-looking statements since they involve known and unknown risks, uncertainties, assumptions and other factors that are, in many cases, beyond our control. Forward-looking statements are not promises or guarantees of future performance. Actual events or results may differ materially from those discussed in the forward-looking statements as a result of various factors. Except to the extent expressly required by applicable law, we do not undertake any obligation to publicly update any forward-looking statements, whether as a result of new information, future developments or otherwise.

Risks that may cause actual events or results to differ from those discussed in the forward-looking statements include, without limitation, increased competition, unfavorable general business conditions, increased packaging, shipping and energy costs, the unavailability of required transportation services, product liability claims, conducting substantial amounts of business internationally, increased prices paid by us for agricultural products, decreased market prices for our products, adverse weather and growing conditions confronting growers who supply products to us, new governmental regulations, disruption of water supplies and increased water prices, changes in interest and currency exchange ratios, the failure to achieve anticipated benefits from our acquisition of other businesses, labor disputes and loss of key personnel, as well as the other risks that are described under the heading “Risk Factors” in our most recent Annual Report on Form 10-K and Quarterly Report on Form 10-Q, which we have filed with the SEC and are incorporated by reference into this prospectus, as such risk factors may be updated from time to time by our future filings with the SEC.

## **USE OF PROCEEDS**

We will not sell any shares of our common stock under this prospectus, and we will not receive any proceeds from the Trust’s sale of shares of our common stock offered by this prospectus. We have agreed to pay the Trust’s brokerage commissions that are incurred in connection with the sale of the shares offered by this prospectus. We have also agreed to pay all expenses that are incurred in connection with the registration under the Securities Act of such shares.

**SELLING SHAREHOLDER**

The following table presents information about the shares of our common stock that are offered by this prospectus. The Trust is the sole selling shareholder named in this prospectus and exists for the benefit of the Sellers. Whether sales of shares will be made by the Trust, and the timing and amount of each sale, is within the sole discretion of the trustee of the Trust, and such trustee will act independently of us in making decisions to sell shares. Registration of the shares under the Securities Act does not require the Trust to sell any of the shares. A donee, purchaser or other transferee of shares from the Trust is not entitled to use this prospectus to sell any of the shares offered by the Trust pursuant to this prospectus.

The following table is based in part on information provided to us by the Trust and assumes that the Trust will sell all of the shares that are offered by this prospectus. The percentage of shares beneficially owned by the Trust prior to this offering was calculated based upon 17,294,401 shares of our common stock that were outstanding as of October 31, 2014. Such number of outstanding shares includes the 1,097,213 shares that were issued to the Trust on October 23, 2014.

The number of shares being offered by the Trust pursuant to this prospectus, as set forth in the following table, consists of the 1,097,213 outstanding shares of our common stock that were beneficially owned by the Trust as of October 31, 2014 and 300,000 currently unissued shares that represent our estimate of the maximum number of additional shares of common stock that we could be obligated to issue to the Trust pursuant to the Second Merger Agreement Amendment. However, the number of such additional shares (if any) that we may be required to issue to the Trust is not determinable as of the date of this prospectus, and will not be determinable for at least 120 days after the date of this prospectus, and the Trust therefore is not currently the beneficial owner of any of such 300,000 contingent shares pursuant to the beneficial ownership principles set forth in Rule 13d-3 under the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”).

Selling shareholder	Shares of Common Stock Beneficially Owned Prior to this Offering		Number of Shares Being Offered	Shares of Common Stock Beneficially Owned After Completion of this Offering	
	Number of Shares	Percent		Number of Shares	Percent
RFG Nominee Trust (1)	1,097,213	6.3%	1,397,213	0	0

- (1) The trustee of the Trust is Kenneth J. Catchot, who has sole voting and investment power over the shares that are owned by the Trust. Mr. Catchot is Manager of Renaissance Food Group, LLC, which is our wholly owned subsidiary. Mr. Catchot has a beneficial ownership interest in approximately 42.5% of the shares that are owned by the Trust. The Trust disclaims beneficial ownership of the 580,426 shares of our common stock that are owned directly by Mr. Catchot, and such shares are not listed in the above table or covered by this prospectus. The address of the Trust and Mr. Catchot is 11171 Sun Center Drive, Suite 200, Rancho Cordova, California 95670-6190.

## DESCRIPTION OF COMMON STOCK

We have authority to issue 100,000,000 shares of common stock. As of October 31, 2014, 17,294,401 shares of our common stock were issued and outstanding. The following summary of our common stock is qualified by reference to the provisions of our articles of incorporation and bylaws, which are filed as exhibits to the Form S-3 registration statement of which this prospectus is a part.

We have one class of common stock. Holders of our common stock are entitled to one vote per share on all matters to be voted upon by shareholders, provided that shareholders have cumulative voting rights in the election of directors. Holders of shares of common stock are entitled to receive on a pro rata basis such dividends, if any, as may be declared from time to time by our board of directors in its discretion from funds legally available for that use. They are also entitled to share on a pro rata basis in any distribution to shareholders upon our liquidation, dissolution or winding up. Common shareholders do not have preemptive rights to subscribe to any additional stock issuances by us, and they do not have the right to require the redemption of their shares or the conversion of their shares into any other class of our stock.

The following provisions of our bylaws may have the effect of discouraging, delaying or preventing someone from acquiring us or merging with us, which might cause the market price of our common stock to decline or prevent shareholders from realizing a premium over the market price of their shares:

- Our bylaws establish advance notice procedures with respect to the nomination of candidates for election as directors and the proposal of other business for consideration at shareholders' meetings, other than nominations or proposals made by or at the direction of the board of directors or a committee of the board of directors;
- Within the range specified by our bylaws, our board of directors determines the size of our board and may create new directorships and elect new directors, which may enable an incumbent board to maintain control by adding directors; and
- Our board of directors may amend our bylaws without a vote of our shareholders, which may enable our board to change our bylaws to deter a proxy contest in connection with an unsolicited takeover offer.

The transfer agent and registrar of our common stock is Computershare Trust Company, N.A.; 250 Royall Street; Canton, Massachusetts 02021. Its telephone number is (800) 962-4284.

Our common stock is traded on the NASDAQ Global Select Market under the symbol "CVGW."

## PLAN OF DISTRIBUTION

Pursuant to the Second Merger Agreement Amendment, the Trust is entitled to sell the shares that are offered pursuant to this prospectus on the NASDAQ Global Select Market. Sales of the shares may be at fixed prices, at prevailing market prices at the time of sale, at prices relating to the prevailing market prices, at varying prices determined at the time of sale or at negotiated prices. The Trust may use one or more of the following methods when selling the shares on the NASDAQ Global Select Market:

- ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- block trades in which the broker-dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction; and
- purchases by a broker-dealer as principal and resale by the broker-dealer for its account.

## Table of Contents

We have agreed to pay the Trust's reasonable and customary brokerage commissions that are incurred in connection with the sale of the shares. We have also agreed to pay all expenses that are incurred in connection with the registration of the shares of common stock offered by this prospectus.

We have provided the Trust with a copy of this prospectus. If the Trust uses this prospectus for any sale of its shares, the Trust will be subject to the prospectus delivery requirements of the Securities Act, including by compliance with Rule 172 under the Securities Act.

We agreed in the Second Merger Agreement Amendment to keep this prospectus effective only until the date that all of the shares acquired by the Trust under the Second Merger Agreement Amendment have been sold by the Trust or, if earlier, until the date that the Trust has owned all such shares for six months and is entitled to sell the shares pursuant to Rule 144 under the Securities Act. Once the Trust has owned shares of our common stock for at least six months, it may elect to sell some or all of such shares under Rule 144 rather than under this prospectus.

The Trust has advised us that, as of the date of this prospectus, it has entered into an agreement with Janney Montgomery Scott LLC to serve as the Trust's broker in connection with sales of the shares by the Trust on the NASDAQ Global Select Market. The Trust reserves the right to determine the number of shares, if any, that will be sold and to enter into agreements with other broker-dealers or to terminate its agreement with Janney Montgomery Scott LLC. The agreement with Janney Montgomery Scott LLC states that its brokerage commissions, charges and other fees are set forth on its website. The brokerage commissions, which are subject to change, are currently anticipated to be \$0.025 per share.

The Trust and any broker-dealers or agents that are involved in selling the shares covered by this prospectus may be deemed to be "underwriters" within the meaning of the Securities Act in connection with such sales. In such event, any commissions received by such broker-dealers or agents may be deemed to be underwriting commissions or discounts under the Securities Act. The Trust has advised us that neither it nor its trustee is a registered broker-dealer.

The Trust and any other person participating in the sale of the shares covered by this prospectus will be subject to certain provisions of the Exchange Act and the rules and regulations thereunder. In particular, Regulation M under the Exchange Act generally provides that a selling shareholder and specified affiliated persons engaged in the distribution of securities are subject to restrictions on the purchase of such securities during the period of distribution described in Regulation M. Furthermore, Regulation M generally provides that persons engaged in a distribution of securities are prohibited from simultaneously engaging in market-making and certain other activities with respect to such securities for a specified period of time prior to the commencement of such distributions. Other anti-manipulation rules under the Exchange Act may also apply to sales of the shares covered by this prospectus.
